Nate, that could be a great connection for us! I'm copying Ivan who is managing this project. He will get in touch with you. We would have to learn more about the property and see if it's a good fit for this work, and we are following up on a number of leads. Thank you!

Hi Shelley

Not sure if this is still on the table, but I have a good relationship with property owner of all the commercial space on Sepulveda, between Manchester Ave and Lincoln Blvd. Might be a good spot for that grant.

Let me know if you want me to connect you

Thanks!

Nate
